

Class 12

Assignment for the Weekend

Marks : 20

1. The following passage has not been edited. There is one error in each line. Underline the error and write the correct word in the blanks. (1×10) 10

In the relatively short time the Internet
had become accessible to a large number
of people and has had a profound effect in our
culture or society. Among other things, it
encourages solitude discourages human
interaction and even made communication impersonal.
But it has practical advantages and among this
are the ways it have made communication easy
and cheap, mainly between emails and
online greetings who are easy to send.
